

HAPPY WORLD

Sunday School Songs

Darkness deep, no light in sight
Then God said, Let there be light!
Sunshine bright, chasing away the night
Happy world, filled with joyful light

Happy world, sing and play
God's love lights up every day
Sun and moon, sky so blue
Happy world, God loves you!

Water wild, swirling free,
God said, let there land be.
Mountains rise, oceans deep,
Happy world, secrets to keep.

Happy world, sing and play
God's love lights up every day
Sun and moon, sky so blue
Happy world, God loves you!
