

DAVID AND GOLIATH

Sunday School Songs

David was a shepherd just a little guy,
Watching over sheep beneath the blue sky.
One day he heard a rumble oh so loud,
Goliath came so angry and proud!

**David and Goliath, big and small,
With faith and courage, you can stand tall.
No matter the size, no matter the height,
With just a little faith, you can win the fight.**

With a sling and a stone, and faith inside,
David took a stand, with God as guide.
He swung his sling, round and round,
And the giant Goliath fell to the ground.
